NIST Training and Travel Grant Application for

Regional Metrology Organizations

NCSL International Technical Exchange Feb. 24-26, 2020

Dear SIM Delegates,

On behalf of NCSLI we are pleased to announce the NIST Training Grant 2020 application process is open. The purpose of this grant is to provide financial assistance to engineers and technicians from Regional Metrology Organizations to attend the Technical Exchange 2020 in Houston, TX, Feb 24-26, 2020, for technical hands-on training.

Each class is instructed by subject matter experts in the field of metrology and the exhibit hall will have leading manufactures of test and measurement standards from the USA.

The SIM point of contact for the application process is Rodrigo P.B. Costa-Felix.

Application Criteria

Applicants must be nominated by their NMI Director. In case of DIs, the application shall go through the NMI who will send a prioritized list of applicants (no more than 2 per country). Due to the large volume of applications please complete the application completely with supporting documentation.

Travel Support

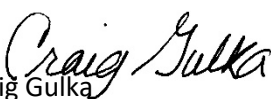

Includes:

- Registration fees to attend tutorials for three days
 - Training program details <http://www.ncsli.org/te>
- Travel expenses (airfare, hotel accommodation and meal allowance)
- Each student will receive a one-year individual professional membership

Application Process

Travel support awards will be based on applicant credentials, and Directors recommendations made to the NCSLI and SIM Organizing Committee.

Applications will be accepted until November 25, 2019.

Craig Gulka

Executive Director, NCSL International
