

Guidelines for Performing and Conducting Remote Assessments within SIM Regional Metrology Organization

QMSWG Webinar – 9 March 2021

The webinar will provide an opportunity to the SIM metrology community to better implement remote assessments, such as remote peer reviews, internal assessments, and internal audits. The SIM document on this regard will be discussed and the experience of two SIM NMIs will be shared.

Program Overview

15:00 – 15:05 (UTC)	Introduction, Elizabeth Ferreira, Quality Management System Workgroup Chair
15:05 – 15:45 (UTC)	Presentation of the Document "Guidance for remote assessments v 1.0", Christopher Cortez, QSTF Vice-Chair
15:45 – 15:55 (UTC)	Quiz
15:55 – 16:15 (UTC)	The experience of NRC in performing remote peer review, Isabelle Amen, NRC, Canada
16:15 – 16:25 (UTC)	Quiz
16:25 – 16:45 (UTC)	The experience of INTI in performing remote internal audits, Fernando Kornblit, INTI, Argentina
16:45 – 16:55 (UTC)	Quiz
16:55 – 17:00 (UTC)	Closing Webinar

Meeting Platform and Registration

The event will be hosted on Zoom, enabling English and Spanish audio channels (simultaneous interpretation). Please visit the following webpage to register: <https://forms.gle/R4y2p5cPsPTwYw237>. The deadline for registration is March 5. The meeting link will be sent via email to those registered prior to the start of the event.

The meeting is limited to 200 participants; participation is limited to the following groups/individuals:

- Three [3] active MWG-12 (Quality Systems) members per NMI/DI (contact MWG-12 Chair Elizabeth Ferreira (eferreir@latu.org.uy) for confirmation of current membership)
- Current delegates to the QSTF (no alternates)
- Technical Committee Chair and Deputy Chair
- Two [2] members from each SIM Metrology Working Group (selections should be made by the WG Chair)

The event will be recorded and made available through the SIM website.
