

Webinar

Capabilities and Challenges in the Americas for Environmental Measurements

AGENDA

01 OCTUBRE 2024

VIRTUAL EVENT

9:00 h	Welcome Remarks	Javier Arias President of SIM
9:06 h	Welcome Remarks	Robert I. Wielgosz Director of the Chemistry Department at the Bureau International des Poids et Mesures (BIPM)
9:12 h	Introductory Greeting	Dra. María del Rosario González Márquez Director of the INM of Colombia
9:18 h	Presentation: Euramet Report on Stakeholder Measurement Needs	Edgar Flores Team Leader of the CCQM-GAWG Task Group on Ozone Cross-Section Change at the Bureau International des Poids et Mesures (BIPM)
9:41 h	Presentation: Contributions of Metrology Institutes to Traceability in Environmental Measurements	Joële Viallon Executive Secretary of the CIPM's Consultative Committee for Photometry and Radiometry at the Bureau International des Poids et Mesures (BIPM)
9:56 h	Presentation: Research Lines to Meet the Traceability Demands of Environmental Authorities and Industry	Ivonne González Acting Deputy Director of Chemical and Biological Metrology at the INM of Colombia
10:16 h	Presentation: Experience in Chemical Metrology in Environmentally Relevant Matrices	José Luis Ortiz Aparicio Scientific Coordinator of the General Directorate of Materials Metrology at CENAM
10:36 h	Presentation: Cooperation in the Framework of Climate Action Demands from Different Countries	Manuel Pulgar Vidal Leader of the Global Climate and Energy Practice at the World Wide Fund for Nature (WWF International)
10:56 h	Presentation: Joint Recommendations from the Bureau International des Poids et Mesures (BIPM) and the World Meteorological Organization (WMO), derived from the Workshop on Metrology for Climate Action	Edgar Flores Team Leader of the CCQM-GAWG Task Group on Ozone Cross-Section Change at the Bureau International des Poids et Mesures (BIPM)
11:11 h	Panel Discussion: "SIM Perspectives on the Regional Challenges in Environmental Measurements"	Moderator: Javier Arias Presidente del SIM
		Edgar Flores BIPM
		Héctor Laiz, INTI of Argentina
		María del Rosario González INM of Colombia
		Fernando Andrés LCM of Costa Rica
		Magdalena Navarro NIST
	Kory Eguino QICA	
11:51 h	Conclusions and Recommendations	Edgar Flores Team Leader of the CCQM-GAWG Task Group on Ozone Cross-Section Change at the Bureau International des Poids et Mesures (BIPM) BIPM
12:00 h	closing of the event
